

Irish Steiner Kindergarten Association Conference 2018

An Grianan

Termonfeckin, Co Louth

Sunday 7th October 2018

9am to 5pm

Gifts and challenges of the children of our time: a shared international Early Years picture

Workshops:

WORRY LESS – ENJOY MORE

Ursula Dotzler

A look at ways to support enjoyment in family life using drawings in conversations. (Bring some drawings along!)

BOYS & GIRLS IN KINDERGARTEN

Louise de Forest

While on a spiritual level we are all the same, it's true that in the classroom, boys & girls are different. We will explore these differences and how we can design our programmes to meet and support both.

WORKING TOGETHER: Parents & Early Years Educators

Philipp Reubke

Parents and early years educators share something essential: a close relationship with the same child. For the wellbeing of the child, a good relationship is important.

RHYTHMICAL, MUSICAL, HAND-GESTURE GAMES

Jacqueline Walter

These games, designed by Wilma Ellersiek, support the brain and speech development in a joyful way.
